Check out the entire Deep Silver franchise on Steam The Deluxe Edition includes a mini-campaign and a great addition, providing access to all new adventures in the alternate reality of 1920. The exact content has yet to be determined, but expect hours of real-time strategy and story-driven actions of the highest quality! Iron Harvest is a real-time strategy (RTS) set in the alternate reality of 1920, just after the end of the Great War. The game lets you manage giant dieselpunk furs, combining epic single player and chicken coop campaigns, as well as skirmishes with intense action on the battlefield for multiplayer fans, Iron Harvest is a classic real-time strategy game fans have been waiting for. The tradition of clashing with scientific and technological progress, while Europe is still recovering from the brutal battles of World War II. Farmers reveal the remains of majestic walking machines that fought on the battlefields of the Great War. In the midst of this chaos, a new threat emerges that will jeopardize the very existence of Europe. The secret forces are doing all they can to destabilize entire countries determined to re-ignite the world and finally seize control. Bring dozens of different types of units into battle, carefully use the lid and blow up entire buildings in shreds. Not the time to come up with a plan that allows for a wide range of tactics, including a stealth approach. Furs. We have furs. Many of them. Experience an epic comprehensive story spanning more than 20 missions over three campaigns. Join nine charismatic heroes and their brutal comrades in their adventures across Europe. Team up with a friend and master all the campaigns side by side in the co-op. Command different factions with more than 40 types of units and 9 heroes with unique abilities. Set up shootouts and multiplayer matches the way you want. Set up your personal game interface and select your favorite entry controls. Competitive multiplayer with ladders, rating matches and leagues. Choose from an extensive selection of card skirmishes and challenge cards available to play singleplayer and coop. Also, expect regular free updates throughout the season, including new single player challenges, multiplayer cards and more to look forward to. Conquer resource points, build your base and place fortifications to protect your production and research unit. Your computer may not be in line with hardware requirements; Maybe you bought the game by mistake. maybe you played the title for an hour and just didn't like it. Never mind. Valve, on request through help.steampowered.com, issues a refund for any reason if the request is made in return period, and in the case of games, if the title has been played less than two hours. There are more details below, but even if you fall outside the return rules we've described, you can ask for a refund anyway and we'll look. You will be issued a full refund of your purchase within a week of approval. You will receive a refund to the Steam Wallet Funds or through the same payment method that you used to make the purchase. If Steam is unable to issue a refund for any reason using your initial payment method, your Full Wallet will be credited with the full amount. (Some payment methods available through Steam in your country may not support a return purchase back to the original payment method. click here for the full list.) The steam return offer within two weeks of purchase and with less than two hours of playabk applies to games and software apps in the Steam store. Here's an overview of how returns work with other types of purchases. The return on downloadable content (Steam store contentable in another game or software application, DLC) DLC purchased from the Steam store is returned within fourteen days of purchase, and if the main name has been played less than two hours after the purchase of DLC, until DLC has been used, changed or transferred. Please note that in some cases Steam will not be able to return money for some third-party DLC (for example, if DLC irreversibly aligns the game character). These exceptions will be clearly marked as non-refundable on the Store page before purchase. Return on Intra-Family Purchase Steam will offer refunds for intra-stock purchases in any games developed by Valve within forty-eight hours of purchase if the intra-name item has not been used, modified or transferred. Third-party developers will be able to include refunds for in-game items on these terms. Steam will notify you at the time of purchase if the game developer decides to offer a refund at the in-game item you buy. Otherwise, in-game purchases in non-Valve games are not refundable via Steam. Return funds for pre-purchased titles When you pre-purchase the title on Steam (and paid for the title in advance), you can request a refund at any time before the title is released. The standard 14-day/two-hour return period also applies from the game's release date. Steam Wallet Refunds You can claim a Steam Wallet refund within fourteen days of purchase if they were purchased on Steam and if you have not used any of these funds. Steam Hardware During the relevant time frame set out in the Equipment Return Policy, you can request refunds for Steam equipment and accessories purchased through Steam for any reason. You must send the equipment back to us within (14) days after requesting a refund, following the instructions we provide you. Please watch the Equipment Return Policy for detailed guidelines on the return and cancellation process process equipment and accessories. You can receive a full refund for any package purchased from the Steam Store until none of the items in the kit has been transferred, and if the total time for all items in the set is less than two hours. If the package includes an in-game item or DLC that is not refundable, Steam will tell you if the entire package is returned during checkout. Purchases made outside of Steam Valve cannot provide refunds for purchases made outside of Steam (such as CD keys or Steam wallet cards purchased from third parties). VAC Bans If you have been banned from VAC (Valve Anti-Cheat system) for the game, you lose the right to return this game. Video Content We can not offer a refund for video content on Steam (e.g. movies,

available to our customers around the world. To enable you to exercise your data protection rights in a simple way, we provide a special section on the Steam Support page. This gives you access to your personal data, allows you to fix and delete it where it is needed, and object to using it where you feel it is necessary. To access it, log in to the Steam support page and select items from your My Account menu related to your Steam account. In most cases, you can access, manage, or delete personal data in the privacy dashboard, but you can also contact Valve with questions or requests through contact processes described in Sections 8 and 10.10 As a resident of the European Economic Area you have the following rights regarding your personal data: 6.1 Access rights. You have the right to access your personal data that we hold about you, i.e. the right to demand free (i) information, whether your personal data is stored, (ii) access to and/or (iii) duplicates of stored personal data. You can use the right to access your personal data through the Privacy Panel. If the request affects the rights and freedoms of others or is manifestly unreasonable or excessive, we reserve the right to charge a reasonable fee (given the administrative costs of providing information or communication or taking the measures requested) or to refuse to take action on request. 6.2 Right to Fix. If we process your personal data, we will try to ensure by implementing appropriate measures that your personal data is accurate and up to date for the purposes for which it was collected. If your personal information is inaccurate or incomplete, you can change the information you provide through your privacy dashboard. 6.3 The right to erase. You have the right to receive the removal of personal data against you if the reason why we could collect it (see section 2. above) no longer exists or if there is another legal basis for its removal. For individual items of personal data, please edit them through the privacy dashboard or request removal through the Steam support page. You can also request that your Steam account be deleted through the Steam support page. By deleting your Steam account, you will lose access to Steam services, including a Steam user account, a subscription, and game-related information related to a Steam user account, and the ability to access other services for which you use a Steam user account. We allow you to restore your Steam account within a grace period of 30 (thirty) days after requesting a Steam account deletion request. This functionality allows you not to lose your account by mistake, due to loss of credentials or because of hacking. During the suspension period, we will be able to complete financial and other actions that you may have initiated before submitting a request to delete your Steam account. After a grace period, personal information related to your account will be deleted under Article 4. Above. In some cases, deleting a Steam user account and therefore deleting personal data is difficult. Specifically, if your account has a business relationship with Valve, for example, because of your work as a game developer, you will only be able to delete your Steam account after you transfer that role to another user or business relations. In some cases, given the complexity and number of requests, the period of erasure of personal data can be extended, but not more than two additional months. 6.4 Right to object. When processing Personal data is based on legitimate interests under Article 6 (1) (f) GDPR /section 2.c) of this Privacy Policy, you have the right to object to this processing. If you object, we will no longer process your personal data unless there is a compelling and prevailing legal basis for processing, as described in Article 21 GDPR; in particular, if the data is necessary to create, implement or protect legal claims. You also have the right to file a complaint with the supervisory authority. 6.5 You are entitled to restrict the processing of your personal data under the terms of Article 18 of the VVPR. 6.6 You have the right to be able to keep your personal data private and have the right to transfer that data to another controller under Article 20 GDPR. Valve makes your personal data available in a structured HTML format through the privacy dashboard as described above. 6.7 The right to posthumous control of your personal data If you are in the influence of French data protection laws, you have the right to establish guidelines for the preservation, deletion and transfer of personal data after your death under section 40-1 of Act 78-17 of 6 January 1978 on information, technology, data files and civil liberties. 7. Children Have a minimum age to create a Steam user account is 13 years. Valve will not knowingly collect personal data from children under this age. Where some countries apply a higher age of consent to personal data collection, Valve requires parental consent before creating a Steam user account and collecting personal data related to it. Valve encourages parents to instruct their children never to give personal information when online. Contact information can be contacted by the data protection officer at the address below. While we review any request sent in the mail, please keep in mind that to combat fraud, harassment and identity theft, the only way to access, fix or delete your data is through login with your Steam user account on and select menu items - my account is to view account information. We are committed to respecting these rights and respecting the CCPA. Below they explain these rights and Valve's practices against them. The right to know. According to ccPA, you can ask us to disclose to you what personal data we collect, use, divulge and sell. Right to request removal. You can also request the removal of personal data that we have at our disposal, with certain exceptions. Please note that your request for data removal may affect the use of Steam in some cases, and we may refuse to delete the information for reasons set out in this Privacy Policy or in what the CCPA allows. Other rights. The CCPA also gives Californians the right to refuse to sell their personal data. As described in section 5, we do not sell personal data or do so in the last 12 months. You may also receive notifications about our practices during or before your personal data is collected. Finally, you have the right discriminated against for exercising their rights under the CCPA. Exercising your rights. The primary means of accessing, managing or deleting your personal data is the privacy dashboard described in section 6 of this Customers can also delete their Steam account and related personal information, as described in section 6.3 of this Privacy Policy. If you can't access or delete the data through a privacy dashboard, you can also contact us asking you to exercise these rights using a form found in . To confirm your identity, you'll need to log into your Steam user account to use the form. Finally, you can contact us with a request for questions@valvesoftware.com, but before you provide access to personal data or delete it based on an email request, we will need to verify your identity through the Property Proof process described in the . You can appoint, in writing or through power of attorney, an authorized agent to make enquiries on your behalf to exercise your rights under the CCPA. Before accepting such a request from an agent, we will require the agent to provide evidence that you have allowed him to act on your behalf and we may need you to verify your identity directly with us. Categories, sources, targets, and recipients of the data collected. Over the previous 12 months, we have collected the categories of personal data described in Section 3 of this Privacy Policy. The sources from which we collect personal data and the purposes for which we collect and process it are described in sections 2 and 3. Over the previous 12 months, we have disclosed for business purposes each of the categories of personal data with categories of third parties, as described in section 5.
